Call to Personal and Global Transformation

Edwina will share her faith journey from Africa to the bars and brothels of Chicago where she worked with drug addicts, prostitutes and the homeless, eventually starting a program for women in recovery. We will be stretched and challenged as we explore our call to respond to present needs locally and globally which compels us to make a greater difference in our world than we think we can.

Rediscovering and Claiming the Feminine Soul

With Edwina, we will explore how women have a significant role to play in bringing balance and healing to our world of violence and suffering. Through scripture and contemporary stories, we will look at the role of Women in Scripture as well as the call to transformation in the Christian Tradition. We will be encouraged to believe in our call to become Mystics, Saints and Prophets.
