Dear Alumnae Association Members,

You are cordially invited to join us for this new adventure we are undertaking. We now are going to change our annual get together to the summertime. It’s on a weekend, in warm weather and in daylight!! We will still be holding our Annual Christmas Basket Raffle this year but it will be on Saturday December 3rd 2022, from 1 to 4 pm, at the Polish Falcons Club.

Many factors went into these changes. Several of our members no longer wished to travel at night, in December to attend the Party and so they stopped coming. COVID put a halt to our parties for two years, but did not stop the Christmas Basket Raffle. We have held it as a walk-in affair. You bought your tickets, made your selections and left. Winners were notified and arrangements were made to get their baskets to them. It worked wonderfully. However, we still missed getting together.

This year we are having the party in better weather in the hopes that more people might like to attend. We are holding it on the weekend so that people don’t have to rush. They can take time to meet, eat and enjoy the friends we never can forget. We have made arrangements with the new Holiday Inn right behind the Ambassador Conference Center, to give us a special rate for overnight guests. Maybe this will encourage out of town alums to consider traveling to Erie to join us. It would be a great time to gather classmates for a mini reunion.

We will have a few vendors joining us. There will be a very limited number of Baskets (10), a 50/50 drawing and a Special Lottery Wreath Raffle for your enjoyment.

Please consider joining us this summer. It has been far too long. We miss you!
